Setup Fees:

Setup fees are applied directly to expenses incurred by DREAM WEB DESIGNS in the setup phase of any SEO or Internet Marketing campaigns and are non-refundable.

Chargebacks:

We normally ask for CLIENT credit card or payment info so that we can charge the CLIENTS card for monthly services provided OR we may also send an invoice so that you can pay from your end. Claiming that you didn't provide your card info or that you are not aware of such charges is illegal and fraudulent.

If any chargeback or payment dispute is caused by CLIENT to a bank or credit card company, then CLIENT services and/or projects will be suspended and in some cases all work will be undone (reversed) without notice. Furthermore, the amount of the chargeback fee will be issued to CLIENT (to recover any fees passed on to us by the chargeback(s)).

In Addition, any outstanding balances accrued as a result of the chargeback(s) will have to be paid in full before we restore service, deliver any files, or commence any work.

PLEASE CONTACT US TO ADDRESS ANY BILLING ISSUES AND WE WILL GLADLY HELP YOU.

Requesting a chargeback or opening a dispute for a valid charge from us is fraud. Chargebacks are never a legal or appropriate means of obtaining a refund.
